Dear Friends !

The fifth **edition** of **TBILISI INTERNATIONAL FESTIVAL OF THEATRE** will take place between **September 18 – October 6, 2013 in Tbilisi, Georgia and for the 3rd time already we are announcing the Program "NEW"!**

Briefly about the Festival

Established in 2009, TBILISI INTERNATIONAL aims to attract creative, challenging and innovative artists, from the Far East to the Far West. TBILISI INTERNATIONAL brings them together in one of the most beautiful and most theatrical cities in the world, cherishing their artistic ideas and creating an unforgettable experience.

The festival's reputation has been built on the quality of its programme, with the selected works of major international directors and companies presented during the international programme.. This was the frame during the first two years. But in search of the theatre and artists, that were beyond our focus and knowledge, we decided to resize the frames of Festival and in 2011 the Festival presented program "NEW".

With "NEW" – we want to enable a focus on the work of innovative ***young, mid-career and emerging artists,*** providing a platform to share work and artistic ideas. This is a show room for those that are not "mainstream", for those – who we have not reached, have not seen and therefore not invited yet. We want to explore and showcase emerging artists who bring a different energy to theatre, to Festival! Welcome to NEW!

NEW is an integral part of our International Programme.

NEW! is for artists who want to take risks and challenge new audiences. It is a voyage of discovery, an adventure for your artistic concepts

NEW- Call for applications for participation in the festival in 2013!

In 2013 it will be made up of two strands : INDOOR performances and STREET art.
Indoor performances will be programmed in theatres and non-traditional venues, while Street Art will appear in public spaces of Tbilisi.

For participation in the programme you need following: submit application and DVD of your suggested performance until March 25, 2013.
